### *Best Time To Visit The New Seven wonders Of The World*

In the 2nd century BC, a list was compiled of what was then thought to be the Seven Wonders of the World. Today, only one survives - the Pyramids of Giza in Egypt. Many variations have followed, but when the Swiss New Seven Wonders Foundation launched a new poll a couple of over 100 million people across the globe voted for their favorites. You won't be surprised to learn, therefore, that such popularity correlates pretty to visitor numbers. Scheduling a visit to avoid the heaviest crowds while chasing ideal weather takes careful planning. and a bit of luck. Here's how to work out the best time to visit the New Seven Wonders of the World.

#### COLLOSSEUM PIAZZA

The Colosseum attracts millions of visitors every year and is one of Rome's most popular sites. That being said, it is also home to some of the longest lines in the city.

In order to get the most out of your visit to Rome, it is vital that you plan your Colosseum visit in advance. Early birds usually have the shortest waiting time but, keep in mind, traveling during peak season means crowds no matter the time of day. The entrance fee to the Colosseum also includes a visit to the Roman Forum/Palatine Hill. The Roman Forum and Palatine Hill are technically two different sites but, because they are situated next to each, they are considered one
